## CALMING ADDITIONS

### Feliway

A daily spray of concentrated Feliway surrounds your feline and their enclosure with calming pheromones and continually reinforces via chemical signals that they are in a safe place.

Daily use - \$2.00/day ☐ Purchase a bottle - \$62.75 ☐

### Zylkene

This natural supplement aids in the reduction of stress and anxiety in your pet, particularly those overwhelmed by new environments. It is non-stressful to administer as it is simply mixed in with food.

Daily use for cats <5kg - \$2.50/day ☐ Daily use for cats >5kg - \$5.00/day ☐  
Purchase a bottle (30 capsules) - \$68.15 ☐

### Cat Grass

We grow our own cat grass, available in convenient take home punnets. Freshly grown cat grass provides a natural release of endorphins in your cat and is also a proven digestive aid.
